This will be much more than your ordinary BBQ and Saturday in the park concert. It will be a social gathering for all of the friends and family of the Coen family. Plan to arrive early, stay late, socialize and support the cause. We encourage you to participate in whatever manner you can, but most importantly, show up and show your support for Chris.

### **The Inspirational Story Behind The Chris Coen Cancer Fund**

Our good friend and neighbor, Chris Coen, was diagnosed in January with Stage 4 Burkitt's Syndrome Lymphoma. The cancer is throughout his lymph system and in his bone marrow. Cancer is a scary battle; it's made worse by the financial implications. In Chris's case, he is without major medical insurance, and he is unable to work – and as the sole breadwinner for his wife and two young children, he is facing financial devastation while fighting for his life.

Through all of this, Chris has continued to inspire and amaze his friends and family with his strength, toughness and ever-positive attitude. This should come as no surprise to those who know him the best. Chris has spent most of his life volunteering his time to coach little league baseball, youth football, middle school football and high school football – and he has made an immeasurable impact on the community.

Chris would be the last person in the world to ask for anyone's help, but he needs us right now, and we want to be there for him.
